Equipment

Ceco... Suppliers & Manufacturers of Compaction And Recycling Equipment

Ceco Equipment formed in 1999 manufacture and supply a full range of Recycling & Reduction machinery, which include Balers, Bin Presses, Bag Presses, Bottle Crushers & Bale Strapping. These machines are currently working in every county in Ireland, the U.K., Spain, France, Italy, Greece, Norway, Africa, Saudi Arabia, Kuwait, U.S.A. & as far away as Australia. All our equipment is made in Ireland & CE Approved.

Ceco Equipments new purpose built facility.

Ceco supply balers suitable for every application - from the small retailer right through to the mill size producer. As a result our balers can be found in sectors which include retail, hotels, restaurants, manufacturing, distribution, wholesale, schools, hospitals, airports, building sites, government bodies, and waste transfer stations.

Ceco Equipment has earned a reputation for first class customer support and after sales service. As well as equipment sales, over the years we have developed a large trade in the supply of Bale Strapping / Banding. We stock a large selection of strapping suitable for all makes of balers at very competitive prices. We supply strapping nationwide on a next day delivery basis.

Baler assembly at our new facility.

Balers loaded for delivery.

Ceco... we ship WORLDWIDE
from single machines to full container loads.

All our equipment New & Used is available for Worldwide Shipping

Ceco MiniPak Baler

The new Patent Pending Ceco MiniPak is a small hand operated baler for baling plastic, cardboard, paper, shredded paper, etc. With a footprint of only 575 x 700mm this machine produces bales of up to 20 Kgs. of cardboard & up to 35 kgs. of silage wrap.

The machine is suitable for Shops, Restaurants, Hotels, Schools, Offices, Farms, Distribution Centres, Etc.

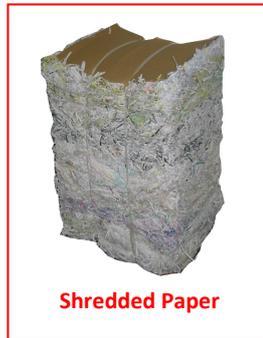

Needing no power source the machine can be used anywhere & is ideal where space is limited or ceiling height is low.

Specifications	
Machine Dimensions (W x D x H)	575 x 700 x 1215mm(1820 open)
Bale Size (W x D x H)	440 x 360 x 650mm
Bale Weight	Up to 35 Kgs.
No. of Tie Straps	2
Weight	48 Kgs
*Optional Extras	Wheels & Axles

- ✔ Bale weight of up to 35 Kgs. *
- ✔ Volume reduction of up to 80%
- ✔ No power supply required
- ✔ Slotted door for easy tying
- ✔ Indoor / Outdoor use
- ✔ Powder coat paint finish
- ✔ Wheels for ease of movement*
- ✔ Easy to handle bale

- ✔ Reduced Disposal Costs
- ✔ Facilitates Recycling
- ✔ Cleaner Work Place
- ✔ Lower Labour Costs

PATENT PENDING

*Bale weight of 35 Kgs achieved on silage wraps. Cardboard, plastic, shredded paper up to 20 kgs.

Ceco 75 Baler

The Ceco 75 is the best selling machine in our range. With a footprint of only 1040 x 720mm this machine produces bales of up to 75 Kgs.

The machine will bale cardboard, plastic or paper & is suitable for Shops, Restaurants, Hotels, Schools, Etc.

Supplied with a trolley for ease of handling bales, the machine is fully CE compliant & is supplied complete with warranty.

Built strong the 75 is the ideal entry level machine for the small to medium size producer.

Specifications	
Motor	1.5 kW 13 amp
Electrical	220 -240V Single Phase 50Hz
Max. Compaction	Up to 5 Tonnes
Bale Weight	Up to 75 Kgs.
Bale Size (W x D x H)	700 x 500mm x adjustable height
Machine Dimensions (W x D x H)	1040 x 720 x 2300m
Total Weight	300 Kgs.
Chamber Size (W x D x H)	700 x 500 x 1400mm
Rolls of Bale Strap	2

✔ Bale weight of up to 75 Kgs.

✔ Volume reduction of up to 90%

✔ Large feed opening

✔ Twin limit switch safety system

✔ Indoor / Outdoor use

✔ Supplied with bale trolley

✔ Pallet truck base for easy movement

✔ Powder coat baked paint finish

✔ Slotted bottom door for easy tying

✔ CE compliant

Supplied with Bale Trolley

Optional Extra
Insert for crushing cans.

✔ Reduced Disposal Costs ✔ Facilitates Recycling

✔ Cleaner Work Place ✔ Lower Labour Costs

Ceco 150 Baler

The Ceco 150 is a mid sized baler producing bales of up to 150 Kgs. in weight. The machine will bale cardboard, plastic or paper & is suitable for Shops, Hardware Stores, Furniture Stores, Etc. Power for this machine is single phase & hydraulic bale eject is standard. The machine is fully CE compliant & is supplied complete with warranty. Built strong the 150 is the ideal machine for the medium size producer or businesses with larger boxes.

Specifications	
Motor	2.2 kW 16amp
Electrical	220 -240V Single Phase
Max. Compaction	Up to 8 Tonnes
Bale Weight	Up to 150 Kgs.
Bale Size (W x D x H)	975 x 800mm x adjustable height
Machine Dimensions (W x D x H)	1560 x 1030 x 2600mm
Transport Height Ram Lowered	1955mm
Weight	780 Kgs.
Loading Aperture (W x D x H)	975 x 800 x 470mm
Rolls of Bale Strap	3
Bale Ejection	Hydraulic Tipping

- ✔ Bale weight of up to 150 Kgs.
- ✔ Volume reduction of up to 90%
- ✔ Large feed opening
- ✔ Single phase 220 – 240v
- ✔ Indoor / Outdoor use
- ✔ Hydraulic bale eject
- ✔ Grabbers to prevent spring back
- ✔ Powder coat baked paint finish
- ✔ Slotted bottom door for easy tying
- ✔ CE compliant

- ✔ Reduced Disposal Costs
- ✔ Facilitates Recycling
- ✔ Cleaner Work Place
- ✔ Lower Labour Costs

Ceco 70T Horizontal Baler

The Ceco 70T Horizontal is the largest baler in our range. This twin ram machine is a real heavy duty work horse with a 70 tonne compaction force capable of producing bales up to 600 Kgs. With 3 different power settings, 50, 60 or 70 tonnes the machine is suitable for Very Large Producers, Recycling Facilities, Factories, Council Yards, Distribution Centres, Etc.

Specifications	
Motor	22 kW 63amp 380 - 400V
Electrical	Three Phase 50Hz
Max. Compaction	Up to 70 Tonnes
Bale Weight	Up to 600 Kgs.
Bale Size (W x D x H) mm	750(H) x 1100(D) X 1200 – 1500(L)
Machine Dimensions (W x D x H) mm	6907 x 1782 x 2008 Height includes hopper
Weight	7700 Kgs.
Loading Aperture (W x D x H) mm	1200 x 1009
Tying	5 wire
Bale Ejection	Hydraulic Full Eject

- ✔ Bale weight of up to 600 Kgs.
- ✔ Volume reduction of up to 90%
- ✔ Large feed opening
- ✔ Full stroke compaction
- ✔ Full bale eject
- ✔ Magic eye start up
- ✔ PLC controls offers safe & easy operation
- ✔ Automatic variable length setting
- ✔ Removable top & bottom shear blades
- ✔ Automatic shear jam protection
- ✔ Hydraulic door latch with safety interlock
- ✔ Left or right door swing & hopper orientation

Optional Extras

Feed Conveyor.
Hydraulic Tipping
Bin Lifter
complete with safety cage.

Ceco BinPress

The Ceco BinPress is ideal for volume reduction of mixed waste into wheelie bins. Up to 4 : 1 reduction can be achieved by using this machine thus reducing the number of bins required & space needed for storage of bins.

The machine is suitable for Hotels, Restaurants, Deli Counters, Schools, Shops, Etc.

A base lifting plate ensures bin wheels are not damaged during compaction whilst two handed controls ensure operator safety.

Specifications	
Motor	1.5 kW
Electrical	220 -240V Single Phase
Compaction	Up to 3.5 Tonnes
Max. Compaction Ratio	4 : 1
Bin Size	660 & 1100 Ltrs.
Machine Dimensions (W x D x H)	1160 x 1150 x 2120mm
Total Weight	270 Kgs.
Cycle Time	20 Secs.
Safety	2 Handed Controls

- ✔ Up to 4 : 1 reduction
- ✔ Adjustable bin guides
- ✔ Single phase 220 – 240v
- ✔ Base lifting plate prevents bin damage
- ✔ 660 & 1100 litre wheelie bins
- ✔ Two handed operation for safety
- ✔ Powder coat baked paint finish
- ✔ CE compliant

Ceco BagPress

The Ceco BagPress is suitable for compacting wet or dry waste into plastic bags.

The machine is suitable for Shops, Restaurants, Hotels, Schools, Deli Counters, Canteens, Etc.

With a high compaction rate of up to 10 : 1 this machine can seriously reduce the volume of waste going into bins. The machine is fully CE compliant & is supplied complete with warranty.

Built strong the BagPress is the ideal machine for the producer with bulky waste material.

<i>Specifications</i>	
Motor	1.5 kW 13 amp
Electrical	220 -240V Single Phase
Max. Compaction	Up to 3 Tonnes
Machine Dimensions (W x D x H)	1200 x 630 x 1861mm
Total Weight	325 Kgs.
Bag Size (W x H)	520 x 1000mm

- ✔ High compaction force ratio 10 : 1
- ✔ Suitable for wet & dry waste
- ✔ Wheel mounted for easy movement
- ✔ Split chamber for easy bag removal
- ✔ Indoor / Outdoor use
- ✔ Top Loading
- ✔ Ideal for shredded paper
- ✔ Powder coat baked paint finish
- ✔ Low operating height
- ✔ CE compliant

✔ Reduced Disposal Costs ✔ Facilitates Recycling

✔ Cleaner Work Place ✔ Lower Labour Costs

Ceco Drum Crusher

The Ceco Drum Crusher is a heavy duty machine suitable for crushing steel drums up to 200 ltrs. With a footprint of only 1000 x 1190mm this machine is suitable for Factories, Oil Depots, Recycling Facilities, Etc.

With a 30 litre collection tray to catch any run off liquid the machine is fully CE compliant & is supplied complete with warranty.

Built strong the Drum Crusher is the ideal machine for volume reduction of steel drums.

Specifications	
Motor	11 kW 32 amp
Electrical	380 - 400V Three Phase
Max. Compaction	Up to 24 Tonnes
Compaction Ratio	6 : 1
Machine Dimensions (W x D x H)	1190 x 1000 x 2587mm
Transport Height	1800mm
Weight	690 Kgs.
Chamber Size (W x D x H)	802 x 816 x 1210mm
Collection Tank	30 litres

- ✔ High compaction force ratio
- ✔ Large feed opening
- ✔ Limit switch safety system
- ✔ Indoor / Outdoor use
- ✔ Totally enclosed chamber for safety
- ✔ Powder coat baked paint finish
- ✔ 30 ltr. Liquid collection tank
- ✔ CE compliant

- ✔ Reduced Disposal Costs
- ✔ Facilitates Recycling
- ✔ Cleaner Work Place
- ✔ Lower Labour Costs

Ceco Bottle Crusher

The Bottle Crusher supplied by Ceco gives up to 80% volume reduction of glass bottles.

It is ideally suited to Bars, Nightclubs, Hotels, Restaurants, Canteens, Sea Going Vessels, Etc.

With a footprint of only 816 x 1025mm this machine can save premises a lot of space compared to storing whole bottles & also reduce the number of collections.

Specifications	
Motor	1.8 kw
Electrical	220 -240V Single Phase
Volume Reduction	Up to 80%
Cycle Time	20 Seconds
Crushed Glass Bin	140 or 220 litre *
Machine Weight	260 Kgs.
Machine Dimensions (W x D x H)	1025 x 816 x 1813mm
Height with feed door open	2187mm
Feed Height	1410mm
Overall depth with bin door open.	1470mm

- ✔ Volume reduction of up to 80%
- ✔ Large feed opening & hopper
- ✔ Suitable for 140 or 220L wheelie bins*
- ✔ Single Phase 220 – 240v
- ✔ Auto feed door release
- ✔ CE compliant

- Reduced Disposal Costs
- Facilitates Recycling
- Cleaner Work Place
- Lower Labour Costs
